FOR IMMEDIATE RELEASE

Camden River Sharks Help Honor Pediatric Nurses

May 15, 2006 — Voorhees, NJ — The Bayada Nurses pediatric office in Voorhees, NJ is sponsoring “Nurses Appreciation Night at the Ballpark” with the Camden River Sharks to honor nurses as a culmination to their National Nurses Week celebration. Invitations are extended to all nurses, their pediatric clients and their families. The event will take place on Friday, May 19th at Campbells Field in Camden, NJ at 7:00 pm.

“The greatest thing is that it will bring together our field team, office staff, clients and their families in celebration of the important work our nurses do,” said Director Karen Buttler. “One of our pediatric clients, Mitchell J., will throw out the first ball and other pediatric clients will get to go out on the field and stand next to their favorite player.”

Buttler and her team are excited for the game and the chance to show their appreciation to the nurses and the families they serve. More than a third of the nurses from the Voorhees office will be present at the game, as well as numerous members of Mitchell J’s family.

“There has been a lot of really positive feedback,” said Butter, “especially from Mitchell J’s mom. Not only is he throwing out the first ball, but his sister is going to sing the national anthem. They have over 20 family members coming from the area to witness their son and daughter at this event!”

Door prizes will be given away to the first 1,000 people at the game and Bayada Nurses staff will be present to provide information to nurses interested in joining the Bayada pediatric team in Camden County.

Founded in 1975 by J. Mark Baiada, Bayada Nurses is an independently-owned home health care agency that provides skilled, rehabilitative, therapeutic and personal care services to children, adults and seniors at home. Bayada Nurses employs over 10,000 nurses, home health aides, and therapists working from more than 120 offices in 15 states.
