

BAYADA Celebrates 40th Anniversary

40 years of helping people live safely at home with comfort, independence, and dignity

From our start in 1975, helping people has been – and always will be – our singular purpose. It is the driving force behind *The BAYADA Way*, our company philosophy, and at the heart of everything we do.

1975

Mark Baiada starts RN Home Care, opening the first office in Philadelphia, PA.

1983

RN Home Care becomes Bayada Nurses

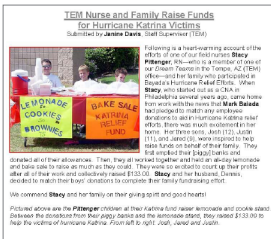

BAYADA sponsors the first annual BAYADA Regatta in Philadelphia, which grows to become the nation's largest all-adaptive rowing competition for athletes with physical disabilities.

1999

Bayada Nurses Hero on the Home Front Program launched, honoring employees at the local, regional, and national level.

BAYADA sends nurses to aid the victims of the war in Kosovo.

2005

BAYADA offices join together in support of a companywide relief effort for Hurricane Katrina victims.

2010

Nurses from BAYADA volunteer to provide relief services to victims of the deadly Haiti earthquake.

2015

BAYADA employs more than 19,000 nurses, home health aides, therapists, medical social workers, and other home health care professionals, who provide care to over 26,000 clients from more than 290 office in 21 states.

RN Home Care..
