Keep in Mind:

- Please refer to the BAYADA Benefits website: bayada.com/benefits on the employee portal for a comprehensive review of your coverage options prior to proceeding. This job aid provides you with the step-by-step process to enroll in BAYADA benefits. It does not cover benefit election/option details.
- Benefits vary between full-time and part-time office employees. Eligibility is defined in policy 37-17.
- All office employees must successfully complete a 90-day introductory period to be eligible for most benefits.
- If you miss enrollment, you must wait until the next open enrollment period or until you experience a benefit event, also known as a qualified life event (QLE), to make changes to your benefit elections.
