

## 2014 Preferred Drug List Exclusions

As of Jan. 1, 2014, the excluded medications shown below are not covered on the Express Scripts drug list.\* In most cases, if you fill a prescription for one of these drugs after Jan. 1, you will pay the full retail price.

### Take action to avoid paying full price.

If you are currently using one of the excluded medications, please ask your doctor to consider writing a new prescription for one of the following safe and effective covered alternatives.
