### **BENEFITS OVERVIEW**

BAYADA offers a comprehensive benefits plan designed to meet the needs of our employees:

#### **Paid Time Off (PTO)**

Immediately upon hire, you will earn Paid Time Off (PTO). PTO is accrued weekly and equates to four weeks per year at your agreed upon productivity adjusted for any "no pay units" taken.

#### **Health insurance, dental, vision plans**

You will be able to obtain either the Minimum Coverage or Enhanced Minimum Coverage plans shortly after hire. Following 60 days of employment, you will also be offered BAYADA's group health insurance benefits. Group benefits become effective on the 90th day after hire.

#### **401(k) retirement plan**

If 21 years of age, you will be able to open a 401(k) plan upon the completion of 1 year of service and accumulation of 1,000 benefit credit hours in your first 12 months, or once you have earned 1,000 benefit credit hours in any single calendar year. The plan now offers an additional way to save for your future: post-tax Roth contributions.

#### **Short-term disability**

Employees working in HI, NJ, NY, and RI may be eligible for short term disability coverage through their state plans.

#### **Life insurance**

You will become eligible for a \$5,000 term life insurance policy after working a minimum of 1,000 benefit credit hours in the previous calendar year.

#### **Health Savings Account (HSA)**

If enrolled in BAYADA's High Deductible Health Plan (HDHP), you will be able to open a health savings account.

#### **Voluntary accidental life, critical illness, hospital indemnity, and disability insurance plans**

You will become eligible after 90 days of service, and will receive notification of enrollment process.

#### **Tuition reimbursement**

You will be eligible for tuition reimbursement for one 3-credit course per semester as approved by your office director.

#### **Direct deposit**

You have the option to directly deposit your weekly paycheck. You may choose to split the check into up to three accounts (checking, savings or a combination of each). This service is available to all employees at time of hire (no waiting period).
