Benefits Overview

BAYADA offers a comprehensive benefits plan designed to meet the needs of our employees:

Paid Time Off (PTO)

Immediately upon hire, you will earn Paid Time Off (PTO). PTO is accrued weekly and equates to four (4) weeks per year less any units equating to a full day taken off without pay.

Health insurance, dental, and vision plans

You will be able to obtain either the Minimum Coverage or Enhanced Minimum Coverage plans shortly after hire. Following 60 days of employment, you will also be offered BAYADA's group health insurance benefits. Group benefits become effective on the 90th day after hire.

Retirement benefits

Eligibility to participate in the 401(k) starts on your date of hire and you can enroll after receiving your first BAYADA paycheck. You can contribute to the 401(k) on a pre-tax and/or after-tax (Roth) basis up to the IRS annual minimum. You may be eligible for a discretionary employer match after meeting age and service requirements (excluding catch-up contributions).

Short-term disability

Employees working in CA, CT, HI, MA, NJ, NY, and RI may be eligible for short term disability coverage through their state plans.

Life insurance

You will become eligible for a \$5,000 term-life insurance policy after working a minimum of 1,000 benefit credit hours in the previous calendar year and can purchase up to an additional \$100,000 in voluntary life coverage after 90 days of service depending on your job classification.

Flexible Spending Account (FSA)

You will become eligible to open a dependent care and/or medical flexible spending account after 90 days of service. You must enroll each year to maintain an FSA.

Health Savings Account (HSA)

If enrolled in BAYADA's High Deductible Health Plan (HDHP), you will be able to open a health savings account.

Voluntary accidental life, critical illness, hospital indemnity, and disability insurance plans

You will become eligible after 90 days of service and will receive notification of enrollment process.

Tuition reimbursement

You will be eligible for tuition reimbursement for one 3-credit course per semester as approved by your office director.

Direct deposit

You will have the option to directly deposit your weekly paycheck. You may choose to split the check into up to three accounts (checking, savings, or a combination of each). This service is available to all employees at the time of hire (no waiting period).

All employees will have 24/7 access to view their earnings statements online by visiting field.bayada.com.

Employee Assistance Program: Aetna Resources for Living

Aetna Resources for Living assists employees in resolving a wide range of topics such as legal and financial; and consultations and referrals for child care, elder care, caregiver support, school and college planning, and convenience services to promote overall wellness.

Identity theft protection

BAYADA has partnered with IdentityForce to sponsor identity protection for group-eligible employees. Each year, millions of people have their identity stolen. That's why it's more important than ever to be protected.

Public Service Loan Forgiveness partner

Public Service Loan Forgiveness (PSLF) is a program administered by the US Department of Education, which allows full-time employees of qualifying nonprofit employers to have the remaining balance of their Federal Direct student loans forgiven after making 120 (10 years) qualifying monthly payments under a qualifying repayment plan. Nonprofit entities of BAYADA are qualifying employers. For more information, view the Public Service Loan Forgiveness section under bayada.com/benefits/find-benefits/additional-benefits.

Commuter benefits

Commuter benefits allow pre-tax funds to pay for qualified work-related commuting and parking expenses such as bus, train, ferry or subway fares and parking meters and parking garage fees.
