Benefits At A Glance Hawaii Part-Time Home Care Caregivers and Clinicians

Benefits Overview

BAYADA offers a comprehensive benefits plan designed to meet the needs of our employees:

Paid Time Off (PTO)

Employees will receive 1 credit for every 1 hour worked. Once the employees reach 2,000 credits, they will receive an average week of PTO. The average week is calculated as 2,000 hours divided by the number of weeks worked to get to 2,000 credits, with a maximum average week of 40 hours.

Medical, dental, and vision plans

Employees are newly eligible the first of the following month after working at BAYADA for 4 consecutive weeks with 20 or more hours each week. If an eligible employee does not enroll during the newly eligible period, the employee must wait for the next open enrollment period or experience a Qualifying Life Event (QLE). An employee must continue to work 80 or more hours each month to maintain eligibility. If an employee does not work more than 80 hours, the employee will lose coverage at the end of the month.

Retirement benefits

Eligibility to participate in the 401(k) starts on your date of hire and you can enroll after receiving your first BAYADA paycheck. You can contribute to the 401(k) on a pre-tax and/or after-tax (Roth) basis up to the IRS annual minimum. You may be eligible for a discretionary employer match after meeting age and service requirements (excluding catch-up contributions). For more information, visit <u>bayada.com/</u> <u>benefits/find-benefits/retirement-plans</u>.

Hawaii state disability

You are covered under the state disability plan. To be eligible, you must have at least 14 weeks of Hawaii employment in which you were paid for 20 hours or more, earned no less than \$400 in the 52 weeks preceding the first day of disability, and are currently employed.

Life insurance

You will become eligible for a company paid \$5,000 term life insurance policy after working a minimum of 1,000 benefit credit hours in the previous calendar year.

Voluntary accidental life, critical illness, hospital indemnity

You will become eligible the first of the month after 90 days of service.

Tuition reimbursement

You will be eligible for tuition reimbursement for one 3-credit course per semester as approved by your office director.

Direct deposit

You have the option to directly deposit your weekly paycheck. You may choose to split the check into up to three accounts (checking, savings or a combination of each). This service is available to all employees at time of hire (no waiting period).

Online earnings statement

All employees will have 24/7 access to view their earnings statements online by visiting <u>field.bayada.com</u>.

Identity theft protection

BAYADA has partnered with IdentityForce to sponsor identity protection for group-eligible employees. Each year, millions of people have their identity stolen. That's why it's more important than ever to be protected.

Public Service Loan Forgiveness partner

Public Service Loan Forgiveness (PSLF) is a program administered by the US Department of Education, which allows full-time employees of qualifying nonprofit employers to have the remaining balance of their Federal Direct student loans forgiven after making 120 (10 years) qualifying monthly payments under a qualifying repayment plan. Nonprofit entities of BAYADA are qualifying employers. For more information, view the Public Service Loan Forgiveness section under <u>bayada.com/benefits/findbenefits/additional-benefits.</u>
