

Pediatric training, mentoring, and support

"At BAYADA, I have the tools I need to support my talents, grow professionally, and remain inspired to make a difference every day"
— BAYADA Nurse Susie Ecker, RN, CSN, BA

You want to give the kind of meaningful one-on-one pediatric care that only a home environment can offer, and BAYADA Pediatrics will support you every step of the way.

BAYADA Pediatrics offers:

- Extensive paid training programs
- Education and scholarship opportunities
- Unique career development pathways
- 24-hour clinical support

Comprehensive pediatric education includes:

- Pediatric home health care training in the classroom, lab, and home setting
- Tracheostomy and ventilator management education
- Age-specific training: newborn through adolescence
- Disease-specific training
- In-home orientation by an RN clinical manager to each client case
- Preceptor education programs

Free, hands-on office in-services:

These may include trainings on CPR, IV therapy, new medical equipment, and much more.

BAYADA University:

Enhance your knowledge through free online courses that supplement our one-on-one preceptor and mentoring programs. Many courses are recognized by state boards of nursing and can be applied to your mandatory continuing education (CE) requirements. Courses include Beginning Pediatric Nursing, Identifying and Managing Pain in Children, Pediatric Neuro Assessment, Assessment of Respiratory Distress in the Pediatric Patient, and Pediatric Procedure Preparation.

BAYADA Presidential Scholarship Program:

In support of our company's core value of excellence and the belief that our employees are our greatest asset, thousands of dollars in scholarships are awarded each year to deserving employees who want to choose their own career path, increase their earning potential, and build their self-confidence through education.

ASPIRE Talent Development and Mentoring Program:

Whether you want to become an expert in a clinical specialty, mentor your peers in the field, help establish quality standards across the company, or even become a business director, the ASPIRE team will mentor you to success.
