

Do You Know a BAYADA Hero?

How you can honor a BAYADA caregiver

At BAYADA Home Health Care, we believe that our clients and their families deserve the highest quality home health care. We constantly strive to honor those BAYADA health care professionals who embody our mission and core values of *compassion, excellence, and reliability*. The Hero Program is one way we recognize our BAYADA caregivers.

Through stories shared by both clients and office personnel, we learn about the ways that many of our BAYADA caregivers are improving the lives of our clients and their families. With your help, we can recognize the Heroes among us.

BAYADA 2017 Heroes of the Year

We are so proud to share that Anne Pannone, HHA; Cathy Medeiros, LPN; Rachel Gotshall, RN; and Sarah Kelly, PT were most recently recognized as our Heroes of the Year at a companywide special ceremony as a tribute to their fine work. Following are some client and family caregiver comments about our Heroes of the Year.

HHA Anne Pannone | Philadelphia, PA

"Anne is amazing. She greets everyone with a smile and a song. She has been an advocate for me and has made such a positive impact on my life."

LPN Cathy Medeiros | Rock Hill, SC

"Nobody knows how to take care of my son as much as Cathy does. She's like a second mom to him. You can see it. How she is able to interact with him is like no other person."

RN Rachel Gotshall | Mount Laurel, NJ

"A Hero is somebody that goes above and beyond what's expected of them. Rachel is my Hero because she has saved my life. She made me remember all the good things that I had and that there were people that cared about me, not just my parents."

PT Sarah Kelly | Denver, CO

"I had MRSA in my leg, and so, it had to be amputated. After that, it was extremely hard to be positive because every time I turned around, I'd run into the wall. Sarah taught me how the prosthetic was supposed to fit and how to walk. I am so thankful for her."
