

Accessing Online Earning Statement on a Mobile Device

Steps

1. When attempting to logon to the Online Earning Statement through the Field Portal (using your Apple or Android mobile device), you may encounter a pop-up indicating that your browser is blocking cookies.
2. If this occurs, go to your device **Settings**:

➤ On an Apple Device:

- i. Tap Settings > Safari > **Disable Block All Cookies** > **Disable Prevent Cross Site Tracking**

On an Android Device:

- i. In the Google Chrome App > Tap More > Settings > Site Settings > Cookies > Make sure **Block third-party cookies** is not selected
