

Autoservicio - Cambiar contraseña: empleados de campo

Pasos

1. Inicie sesión en su cuenta en bayada.okta.com.
2. Haga clic en **su nombre** en la esquina superior derecha de la pantalla.
3. Haga clic en **Ajustes**.
4. En Métodos de seguridad, haga clic en **Restablecer** y haga clic en **Sí**.
5. Elija su método de verificación.
6. Ingrese la **Nueva contraseña** siguiendo los **requisitos de la contraseña**.

The screenshots illustrate the following steps:

- Profile Page:** Shows the user's profile with a dropdown menu where 'Settings' is selected.
- Security Methods:** Displays the 'Security Methods' section with a red box highlighting the 'Password' row, which includes a 'Reset' button.
- Reset Confirmation:** A modal dialog asking 'Are you sure you want to reset Password enrollment?' with 'Yes' and 'No' buttons.
- Reset Options:** A screen titled 'Reset your password' offering two methods: 'Email' and 'Phone', each with a 'Select' button.
- Verification Email:** A screen titled 'Get a verification email' showing a confirmation message and a 'Send me an email' button.
- Phone Verification:** A screen titled 'Verify with your phone' showing a code sent to the phone and an 'Enter Code' field with a 'Verify' button.
- New Password:** A screen titled 'Reset your Okta password' showing password requirements, fields for 'New password' and 'Re-enter password', and a 'Reset Password' button.
