

How to Change Your Password

Required items

Internet-connect device

Steps

1. In a web browser (Internet Explorer, Firefox, Safari, Edge, or Chrome) go to bayada.okta.com.
2. Sign in with your BAYADA credentials (username and password).
3. On the Okta landing page, click Settings.
4. Select *Change Password*, then enter your current password and a new password twice. [Click here](#) for instructions to create a strong password.
5. Click *Change Password* to submit. Your password is now updated.

A screenshot of the BAYADA Sign In page. At the top is the BAYADA logo. Below it is a circular profile picture placeholder with a question mark. The text "Sign In" is centered. There are two input fields: "Username" with the text "etestoff@bayada.com" and "Password" with masked characters "*****". A "Remember me" checkbox is below the password field. A blue "Sign In" button is at the bottom. A link "Need help signing in?" is at the very bottom.
